

Lincoln VisionConnect contact lens benefits

The *Lincoln VisionConnect*® plan gives you the option to choose contacts instead of eyeglass lenses.

Maximize your contact lens benefit with the covered contact lens selection feature

- Lenses purchased from the covered contact lens selection list* are covered after a low copay, if applicable.
- The benefit covers up to four boxes of contact lenses (depending on the prescription), fitting and evaluation fees, and two follow-up visits.
- The covered contact lens selection benefit is not available when purchasing through 1-800 Contacts®, Costco®, LensCrafters®, Sam's Club®, Target, Walmart®, or Warby Parker. A \$125 contact lens allowance is available when purchasing from any of these locations.

*For an up-to-date covered contact lens selection list, visit the member web portal at lvc.lfg.com or call customer service at **800-440-8453**. The covered contact lens selection list is subject to change. Your eye doctor's prescribed wearing schedule may affect replacement frequency.

Contact lens allowance

- If your preferred contact lenses are not available on the covered selection list, or if you purchase contacts at 1-800 Contacts®, Costco®, LensCrafters®, Sam's Club®, Target, Walmart®, or Warby Parker, a \$125 allowance is provided toward your purchase, with no copay.
- The cost of a contact lens evaluation, fitting, or follow-up are the member's responsibility.

Medically necessary contact lenses

- Contact lenses are considered medically necessary at the discretion of the eye care provider.
- When you choose a network provider, medically necessary contacts are covered at 100% after a low copay, if applicable.
